

SUBSTITUTE TEACHER

Substitute teachers are mature Christian adults who are willing to be contacted by the St. John's Kids team if a teacher or teaching assistant for a particular group of kids is unable to serve on one of their scheduled dates.

Key Responsibilities

1. Cover for a regularly scheduled teacher or teaching assistant in a teaching or support role when you are available and needed.
2. Ensure that the lessons, teaching times, and class discussions are God-honouring, true, and appropriately engaging for the age and stage of the children in your group.
3. Ensure that kids in your group are cared for according to our Safe Church policies.

Time Commitment

- Serve as you are needed and available (approximately once per month)
- Read through the lesson before the Sunday that you are teaching
- Attend two training evenings per year

Our Commitment to You

The St. John's Kid's team is committed to supporting you in this work. We will:

- Contact you as soon as we know of gaps or teaching needs so that you have as much time as possible to prepare before serving
- Respect your time, capacity, and availability to serve
- Prepare physical materials for your classes including lesson outlines, story props and material, and basic craft supplies outlined in lessons
- Organize two training days per year to equip and encourage you, and follow up with you personally to make sure that you are being supported in your role
